# Ergonomic design

Use the Compact 5 HD in two ergonomic positions

Open the Compact 5 HD for a perfect reading angle and smooth movement over newspapers and magazines.

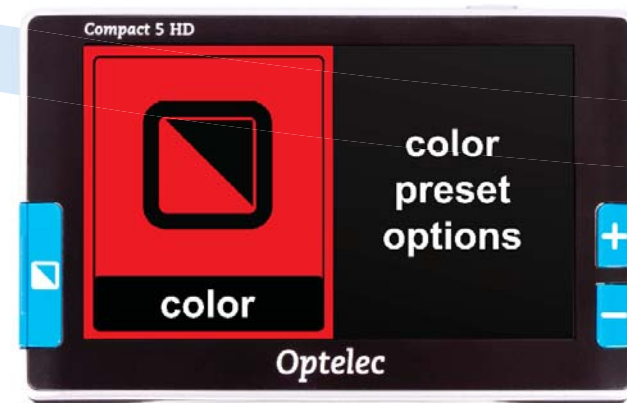

Close the Compact 5 HD for use on-the-go, spot reading and distance viewing (up to 1.2 meter).

## Small, lightweight and easy to use

The Compact 5 HD is small and light enough to fit easily in your pocket while featuring a 5-inch widescreen. The buttons are easy to see and operate. To meet your specific needs, each Compact 5 HD setting can be customized and saved through the special large icon menu.
